

A CALL TO ACTION FOR RABBIS AND THE ORTHODOX COMMUNITY

צדק צדק תרדוף

Another year has passed without any meaningful effort
to remediate the plight of *agunot*.

An international conference convened by the Chief Rabbinate in Israel
was abruptly cancelled due to pressure from ultra-Orthodox Rabbis.

What are we waiting for? How many years will we have to ask?

DOES ANYBODY HEAR? DOES ANYBODY CARE?

This *Ta'anit Esther*, WE, the undersigned, call upon the Orthodox Rabbinate
to meet to:

- Develop and implement solutions to the *agunah* problem
- Establish and enforce standards for *batei din* that judge these cases

This *Ta'anit Esther*, WE, the undersigned, call upon the entire community to:

Stand up and demand an end to this injustice - a disgrace for every Jew
who adheres to halakha.

This tragedy is our disgrace.
